

Donors Needed

Want to make a difference in our Ashland community & help fight food insecurity?

You Want to Help. We Want to Make it Easy. A Simple Gesture is a door-to-door food collection program that will provide a steady supply of food to the neediest families in Ashland but only with your help!

3 Simple Steps to help the Ashland Food Pantry through A Simple Gesture:

1. Each week when you go shopping, buy an extra non-perishable food or personal care item (we'll send an email ahead of pick-up with the pantries most needed items). Or make a donation & we will do the shopping for you.
2. Store it in your blue reusable bag that we provide to you.
3. On approximately 9 pre-determined Saturdays throughout the year (don't worry we send reminders & you can opt out if that pick-up date doesn't work for you), a volunteer driver will pick up the bag from your doorstep, leave an empty blue bag in its place, & take the filled bag to the pantry.
